

eScrip.com

Overland is using a company, called eScrip, to assist us in our scrip fundraising. Grocery stores and online retailers will contribute a percentage of the money spent to our school.

What can eScrip do for us? Two things:

1. It allows us to **link our grocery cards** (Vons, Pavilions) as well as **credit and debit cards** to Overland so every time you use them to shop Overland gets a percentage back.

2. For all of your **online shopping go to escrip.com online mall**. Overland will get a percentage and you will see exactly how much! To be clear, you will be shopping at the very same sites you know and love and seeing the same shopping cart and doing the same checkout process. Just by entering you retailer's site through escrip.com your purchase will be linked to Overland – it's simple, try it and you'll love it! There are over 1000 retailers and you can even search for the best deal!

See the back of this flyer for detailed instructions on how to register and shop through escrip.com.
