OVERLAND ROCKS

2021 SILENT AUCTION

Dear Friends of Overland,

I am writing to you on behalf of Friends of Overland (FOO), a non-profit organization that raises funds for Overland Elementary School. Overland is one of the highest ranking schools in the Los Angeles Unified School District. With declining state funding, vital education programs may be eliminated.

Overland parents are organizing a virtual fundraiser to help endow students with an education that all children deserve. Proceeds will provide a fully staffed library, computer lab and science lab, as well as art, drama and music programs. These essential programs may be cut for 500 students if we don't raise enough funds.

The virtual auction will take place on **May 1, 2021**. Auction donors will be recognized during the event, on the auction website and in a widely distributed auction catalog. As you might imagine, this is a great way to reach new and loyal customers. We would be honored to expose your business and/or services to our community. Donations are 100% tax deductible.

Please complete the attached donor form and return it to us as soon as possible. To be included in our auction catalog, we need to have all items pledged to us or in our possession **by Friday, April 2, 2021**. We will be happy to pick up any items you donate. Feel free to email any questions or inquire about placing an ad or becoming an event sponsor.

Thank you for your generosity. We are truly grateful for your support!

Sincerely,

Polly Blitzer
